Council Tax Options

District Councils are permitted to increase Council Tax by 2.99% on a Band D property for 2018/19. Any proposal to increase Council Tax by more than this would trigger a referendum. The decision on Council Tax setting will take place on **1st March 2018**

For the purpose of this report an increase of £5 (a rise of 2.77%) at Band D has been applied.

The movement in the Council Tax base equates to 594.3 properties. The movement in the Council Tax base, with no increase in Council Tax would generate £107k. A £5 increase in Council Tax at Band D will add a further £166k to the amount raised via Council Tax bringing the total of additional Council Tax raised compared to last year to £273k.
