7. Petition Received - Review of Ashfield District Councils Tenancy/Lettings Policies and Sanctions.

Pursuant to the provisions of Section 100(B) (4) (b) of the Local Government Act 1972, the Chairman has agreed to exercise his discretion to allow consideration of the following petition as an urgent item:-

“We the undersigned petition the Council to openly review their Tenancy Agreement/Lettings Policy with a view to impose greater sanctions on those tenants who create an anti-social environment which negatively impacts other residents’ quality of life.

Anti-social behaviour can negatively affect Ashfield residents’ health. Long term exposure can require medical treatment to help with lack of sleep and depression. Many vulnerable people can be intimidated into silence. Ashfield District Council has a duty of care to every resident and therefore should look into every option possible to alleviate any detrimental impact on other residents’ quality of life.” (588 signatures)

The reason for the Chairman’s decision is to ensure that the Petition is received in good time and in accordance with the Petition Scheme as there are no further scheduled meetings of the Overview and Scrutiny Committee this municipal year.
