Detailed Information

The Licensing Act 2003 came in to force in September 2005. It passed the powers to the Local Authority to licence premises for any of the following licensable activities:

- **The sale by retail of alcohol;**
- **The supply of alcohol by or on behalf of a club or to the order of a member of the club;**
- **The provision of regulated entertainment; and**
- **The provision of late night refreshment.**

The licensing objectives are:

- **The prevention of crime and disorder;**
- **Public safety;**
- **The prevention of public nuisance; and**
- **The protection of children from harm.**

Each objective is of equal importance. There are no other statutory licensing objectives, so that the promotion of the four objectives is a paramount consideration at all times. However, the legislation also supports a number of other key aims and purposes. These are vitally important and should be principal aims for everyone involved in licensing work.

Section 18 of the 2003 Act, allows Interested Persons, and Responsible Authorities, to make representations in favour or against applications for the grant of a Premises Licence. Should representations be made that cannot be resolved between the parties during any consultation period, then the application must be determined by a Licensing Committee or Sub-Committee Hearing.

Other Relevant Considerations

The Sub-Committee is reminded of its responsibilities under the Crime and Disorder Act 1998 (to co-operate in the reduction of crime and disorder in the Ashfield District) and the Human Rights Act (which guarantees the right to a fair hearing for all parties in the determination of their civil rights, and also provides for the protection of property, which may include licences in existence, and the protection of private and family life) when considering the fair balance between the interests of the all parties to this hearing.

Any decision taken by the Sub-Committee must be necessary and proportionate to the objectives being pursued.

Members are reminded that whenever they make a decision under the Licensing Act 2003, they have a duty to act with a view to promoting the licensing objectives.

When considering any representations, only those issues relating to the licensing objectives should be considered, and appropriate weight given to the importance and relevance of each representation.

Members should note that the applicant or persons making representations have the right of appeal against the decision made by the Sub-Committee.

Summary of Application

On 31st October 2017, the Licensing Authority received an application from Mr Lee Clement for the grant of a New Premises Licence for Havana Blue, 4a – 6a Annesley Road, Hucknall, Nottinghamshire, NG15 7AB, seeking to operate a “Prosecco Bar” in a currently unused commercial property.

-----------------	--------------	-------	-------

Both the application and the steps that the applicant intends to take to promote the licensing objectives) can be found at **Appendix A**.

Having reviewed the application, the Responsible Authority for the Licensing Authority sought agreement from the applicant to replace the conditions proposed by the applicant, with conditions and “operational policies” proposed by the Responsible Authority, in order to uphold all of the licensing objectives. The applicants agreed to this request, and a communication between the Licensing Authority and the applicants detailing the conditions and “operational policies” and the applicants’ acceptance of them can be found at **Appendix B**.

During the 28 day consultation period the Licensing Team received one representation submitted by an Interested Party objecting to the application. This representation is attached at

Appendix C, and the representation raises concerns that the proposed business may undermine the licensing objective of the prevention of public nuisance.

A map detailing the general location of the premises is attached at **Appendix D**.

Hucknall,
APPENDIX THREE

Re 'Havana Blue'
4a Annesley Rd Proposal.

Nottingham
NG15 7AP.

Dear Ashfield Council

I wish to object to the proposal to open a 'cocktail & prosecco' bar at 4-6 Annesley Road, Hucknall. For the following reasons.

— RESIDENTIAL AREA

a) Despite the opening of the Inner relief road this area of town up until now, has remained a quiet residential area.

I was pleased to hear that the old Wesleyan chapel is to be converted into another five flats as I was dreading the building being converted into a drinking establishment!

— NOISE

b) I must object most strongly to live and recorded music being played until 1am on

the premises has very low ceilings so the noise would be horrendous. Now that the inner relief road has been put through the town we are already plagued by loud music that emanates from licensed establishments on the High St.

During the summer months the noise carries and to have live and recorded music of any kind in such a small building would be a total invasion of everyone's privacy at any time of day and especially until I am in the morning.

There is already a 'micropub' at 30 Annisley Road called 'Lyngary's' and 'Byron's Rest' on Baker Street. We really don't need another drinking establishment so close to one another.

Please consider all the many people that live in and around this

area of town. There is absolutely no parking nearby and hardly any pavement outside the building so people would cause an obstruction when they stand outside to smoke (as they do at Lyngans & Byrons Rest).

Spare a thought for all of the ratepayers who live in and around this area

Regards.
