APPENDIX 1

STATE OF ASHFIELD DEBATE – FORMAT OF MEETING

1. In accordance with Council Procedure Rule 19, the Chairman of the Council has called a State of Ashfield Debate.
2. In accordance with Rules 19.1 and 19.2, the Chairman of the Council and the Leader of the Council have decided on the form of the debate.
3. The main purpose of the meeting is to enable the Leader of the Council and his Cabinet to gather information on issues and matters of concern that will ultimately feed into the budget and policy framework.
4. It is important for the meeting to be held in an open and constructive manner but with a structured approach.
5. The meeting will be audio recorded for publication on the Council's website after the event. Live social media coverage will take place during the meeting via the Council's Twitter and Facebook.
6. The meeting will consist of a series of presentations and question and answer sessions. Each presentation and question and answer session will be allocated a time limit.
7. To enable active participation and an informative question and answer session:
 - A Member of the Council will move to suspend Council Procedure Rules [16] provided for in Rule 30.1, so that the normal rules of debate for Council meetings will not apply. This will mean that a more flexible committee style of meeting can occur. Members will be able to ask multiple questions but will not be able to give speeches.
 - Other Council Procedure Rules will still be applied to ensure the meeting is conducted in a properly respectful manner.
8. No formal motions or decisions will be taken at the Council meeting but informal next steps and common understandings between all parties will be formulated at the end of the meeting.
