L.11 Licensing Authority Activity Report: 2018 Calendar Year.

The Licensing Team Leader submitted a report to provide the Committee with information on service volumes; details of licensing hearing decisions; decisions made under delegated powers; information on volumes of applications and enforcement activities during the 2018 calendar year. The report also provided information on the programmes of modernisation that had been put in to effect since the 2017 report and on the future workings of the Authority with regards to Licensing activities.

The Licensing Team Leader's report provided a wide range of information with regard to Licensing activities during 2018, including:

- an outline of Licensing Functions and the corresponding legislation;
- data regarding new licences/registration applications received and processed by the Authority;
- the Licensing Authority's current financial position;

- a restructure of the Licensing Team and planned recruitment to vacant posts;
- reasons for the upturn in applications and income;
- licenced premises mapping, risk assessments and compliance and enforcement data;
- number of enforcement actions taken in 2018 across the Licensing Functions including snapshots of serious cases of concern;
- Licensing Sub-Committee cases and outcomes;
- Officer Decision Records completed;
- Appeals made to the Licensing Authority;
- Notable Achievements and the successful audit of the Licensing function;
- Future work programme for the Licensing Team.

Members took the opportunity to debate the duties undertaken by the Licencing Team during the 2018 calendar year and discussed various issues including:

- the growing number of micro-pubs in Ashfield and the challenges that these provided of having licensed premises in predominantly residential areas;
- how the Planning Team and Licensing Team liaise together on applications that involve both teams;
- Personal Licence holders and their responsibilities;
- how licence conditions were imposed by the Licensing Authority and monitored for compliance purposes.

Members of the Committee thanked the Licensing Team Leader and his Team for providing an excellent Licensing service to the businesses and residents of Ashfield.

RESOLVED

that the report be noted.

REASON FOR DECISION

To acknowledge and understand the activities of the Council's Licensing function during 2018.

L.12 Draft Street Trading Policy.

The Licensing Team Leader submitted a report seeking approval for the draft Street Trading Policy to be published for consultation and to request that the committee considered and commented on the draft Policy in order that their comments be incorporated into the draft Policy prior to consultation process commencing.

The Licensing Team Leader advised that Street Trading was defined as “the

selling or exposing or offering for sale any article (including a living thing) in a street – subject to a number of exceptions”, and noted that the Council currently issued Street Trading Consents in accordance with Schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982.

The draft Policy that was attached as an appendix to the officer’s report, set out the criteria that the Council would use when considering applications for Street Trading Consents and the grounds upon which decisions would be made about Street Trading applications, including any necessary enforcement action.

The Licensing Team Leader advised that the draft Policy would support the Council’s commitment to work in partnership with other agencies, avoid duplication with other statutory controls as well as recognising and supporting the valuable contribution that Street Trading made to the local culture and economy and the services that Street Traders provided to residents and visitors.

The Licensing Team Leader advised that the draft Policy had been designed to promote a flexible approach in relation to applicants seeking to operate new Street Trading businesses, whilst also endeavouring to promote a well-regulated Street Trading function by ensuring that such Trading did not become a source of nuisance or annoyance to those who lived in, worked in and visited the District.

Members of the Committee asked about the section of the draft Policy that stated that applications for a Street Trading Consent would be refused for locations in close proximity to “primarily residential properties” and noted that this would prevent trading in residential areas where the trader offered a valuable facility to the community. The Licensing Team Leader noted that each application would be assessed on a case by case basis and on its own merits, but advised that the wording of the draft Policy would be amended prior to consultation to make this clear.

The Licensing Team Leader advised that it would be beneficial to keep the wording “in close proximity” regarding the siting of street traders to other community facilities, rather than setting specific separation distances as this approach would provide more flexibility and enabled the Council to better protect the amenity of residents and the users of other facilities.

Members of the Committee asked whether six-month licenses could be offered in order to assist traders who offered seasonal products, such as ice cream. The Licensing Team leader advised that the extra administration tasks that would be involved in issuing six-month licenses, and the related costs would be prohibitive, however it was noted that the Council’s policy of offering payment instalments for licences supported smaller traders.

Members suggested that with regard to the proposed Mobile Trading Consent Licence that the number of locations included in the consent be limited in order to prevent over intensive use of some sites by multiple traders.

Members of the Committee discussed the proposed Consultation and were in agreement that the Consultation should be publicised as widely as possible

using a diverse range of communication channels in order to engage with a broad range stakeholders and residents.

RESOLVED

- a) that the comments made by the committee on the draft Street Trading Policy be incorporated in to the draft policy prior to consultation.
- b) that Licensing Team Leader be delegated authority to carry out the consultation on the draft Street Trading Policy on the terms detailed in the officer's report.
- c) that the consultation be promoted using a diverse range of communication channels in order to engage with a broad range stakeholders and residents.

REASON FOR DECISIONS

To progress the development of the Council's draft Street Trading Policy as the lack of a policy limits the opportunities to Street Traders to 15 specific locations in the District, and as such hinders the transformation of the local area in relation to creating a more vibrant local economy.

The meeting closed at 11.20 am

Chairman.

Report To:	LICENSING COMMITTEE	Date:	8TH JULY 2019
Heading:	DRAFT STREET TRADING POLICY: CONSULTATION RESPONSES		
Portfolio Holder:	DEPUTY LEADER – OUTWARD FOCUS		
Ward/s:	ALL		
Key Decision:	Yes		
Subject to Call-In:	No		

Purpose of Report

To agree a Final Street Trading Policy following a public consultation having concluded.

Recommendation(s)

The Licensing Committee is recommended to:

- a) Consider the responses to the consultation on the Draft Street Trading Policy;
- b) Agree to the amendments to the Draft Policy in light of the responses to the consultation (as attached at Appendix One);
- c) Approve the fees and charges proposed for the Street Trading functions; and
- d) Recommend the adoption of the Final Policy to Council.

Reasons for Recommendation(s)

The powers to control Street Trading within the Council's area are conferred by Schedule 4 Local Government (Miscellaneous Provisions) Act 1982, which has been adopted by the Council. Under Schedule 4 of the Act, the Council is able to manage Street Trading by designating streets as Consent Streets, Licence Streets, or Prohibited Streets.

Currently no Policy has been adopted in relation to Street Trading, rather a Resolution was made in 2002 that adopted 15 specific locations as Consent Streets where such trading is permitted, with trading prohibited from taking place anywhere else within the Council's area.

The present state of play limits the opportunities to Street Traders, and as such hinders the transformation of the local area in relation to creating a more vibrant local economy.

Alternative Options Considered (With Reasons Why Not Adopted)

Do nothing: not recommended for a number of reasons.

The Council has a duty to carry out its licensing functions in accordance with the relevant legislation and regulations in force for each of the functions detailed within this report.

By carrying out its licensing functions, the Licensing Authority will contribute towards the reduction of crime, disorder and nuisance within the District, and seek to improve community safety and environmental quality, whilst in turn seeking to promote a vibrant and sustainable local economy.

Detailed Information

Introduction

Street Trading is defined as “the selling or exposing or offering for sale any article (including a living thing) in a street – subject to a number of exceptions”.

The Council currently issues Street Trading Consents in accordance with Schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982 (the Act).

The Act states that a "street" is defined as: any road, footway, beach or other area to which the general public have access without payment.

Currently the Council has adopted 15 static locations from which Street Trading may take place.

The Draft Policy intends to promote a flexible approach in relation to applicants seeking to operate new Street Trading businesses, whilst also endeavouring to promote a well-regulated Street Trading function by ensuring that such Trading does not become a source of nuisance or annoyance to those who live in, work in and visit the District

This Draft Policy sets out the criteria the Council will use when considering applications for Street Trading Consents. It sets out the grounds upon which decisions are made about Street Trading applications, and any enforcement actions if required.

This Draft Policy also supports the Council's commitment to work in partnership with other agencies and avoiding duplication with other statutory controls.

A consultation has been held and the Draft Policy amended in light of matters raised by Members and stakeholders.

How will the Council ensure that Street Trading does not take place in locations that may be deemed inappropriate?

The Draft Policy states that applications for a Street Trading Consent (this relates to trading from a single fixed location) will be refused for locations deemed to be:

- **In close proximity to a place of worship;**
- **In close proximity to a place of education;**
- **In close proximity to a place of healthcare;**
- **In close proximity to a place of cultural or historical local / national significance;**
- **In close proximity to primarily residential properties;**
- **In close proximity to a business offering the same goods / services;**
- **Likely to undermine the safety and / or convenience of the general public and / or road users.**

What type of Trading Consents are proposed within the Draft Policy?

For the purposes of this Policy and to assist applicants, Ashfield District Council issues 4 types of Trading Consents, each specific in its nature:

- **Street Trading Consent:** Trading from a stall / unit / vehicle from a single designated location on a regular basis.
- **Mobile Trading Consent:** Trading from a vehicle at a number of locations across the Ashfield District, but for no more than 20 minutes at a time in any single location, and no location to be revisited within a 4 hour period.
- **Community & Charity Trading Consent:** Trading at non-profit making events (within the Ashfield District) held by a registered charity or community association, whether for a single day or for the duration of the entire event subject to there being no more than 4 traders (more than 4 traders will fall within the Markets Policy of the Council).
- **Special Events Trading Consent:** Trading at events (within the Ashfield District) where the organiser intends to make commercial gain, whether for a single day or for the duration of the entire event subject to there being no more than 4 traders (more than 4 traders will fall within the Markets Policy of the Council).

How will local residents, businesses and stakeholders be made aware of Street Trading applications that may affect them?

All Street Trading Consent applications (except from Mobile Traders, Community & Charity Traders, and Special Events Traders) for locations not already adopted by the Council will be subject to a 28 day consultation period.

The consultation on applications for new locations will seek the views of local residents and businesses (by way of a yellow A4 notice placed at the proposed trading site) that may be directly affected, and statutory agencies whose responsibilities may be impacted by the proposed business (by way of a consultation email).

Consideration will be given to all written representations that are not deemed to be irrelevant, frivolous, vexatious, or repetitive. Representations will be vetted by Officers of the Licensing Team for validity.

Applications subject to valid representations will be determined at a Hearing chaired by the Service Director: Place & Wellbeing, who is delegated authority by the Licensing Committee to determine such applications.

Consultation on the Draft Street Trading Policy

The draft Policy was given approval from the Committee prior to commencing a formal consultation. The consultation timetable is as follows:

- 14th March 2019: Licensing Committee agreed that the draft Street Trading Policy be put out to consultation.
- Consultation was held between 1st April 2019 and 12th May 2019 and invited the views of “Stakeholders” (Police, Fire Service, Highways, Trading Standards, Planning, Environmental Protection, Environmental Services, Children’s Safeguarding Board, Health & Safety, etc), representatives of current Street Trading Consent holders, and the local Primary Health Care. The general public were given access to the consultation via the Council’s website, reception area and local libraries.

- 8th July 2019: the results of the consultation to be put to the Licensing Committee for consideration, and to make any relevant changes to the Policy to finalise accordingly, and to make a recommendation to Council to adopt the final Policy.
- 25th July 2019: Council to consider the recommendation made by the Licensing Committee, and adopt the Policy.

Responses received during the Draft Policy Consultation Period

Two responses were received during the consultation period and are attached at **Appendix Two**.

One response was from a member of the public who opposed the potential increase in street trading locations for fear of unlicensed traders taking up any vacated new locations.

The Licensing Team Leader believes that such a concern whilst having some validity, can be overcome by way of regular mobile checks of the District being carried out by the Licensing Officers, who will then be able to ensure that any trading from any location is carried out with the necessary Consent having been granted by the Council, and unlicensed traders will be the subject of enforcement action initiated by the Licensing Team.

The other response was provided by the Assistant Director Neighbourhoods & Environment who correctly advised on the need to ensure all stakeholders consulted with were listed within the Policy to ensure transparency (The Draft Policy – appended - is amended accordingly at Page 2).

The Assistant Director also sought the Policy to be explicit in relation to potential traders looking to operate on Council owned parks and recreational spaces that may already have a permanent café or similar establishment in situ, in order to prevent unhealthy competition.

Such a concern is not applicable to those looking to trade solely from a fixed designated location, as the Neighbourhoods & Environment Service will be a consultee to such applications and can raise any concerns held on a case by case basis; but the concern is valid in relation to Mobile Traders and those Traders who attend events on Council owned parks and recreational spaces, and the Licensing Team Leader has made amendments to the Draft Policy to alleviate this concern.

Amendments to the Draft Policy in light of Consultation Responses and Members Queries

When the Licensing Committee convened to consider the Draft Policy at its meeting on 14th March 2019, a valid question was raised by Members in relation to how to prevent a Mobile Trader from dominating trade at prime locations.

The solution to this problem is to issue a Mobile Trading Consent that permits trading across the entire District. Further to this, and also taking into consideration the concern raised by the Assistant Director: Neighbourhoods & Environment, two restrictions are required in relation to Mobile Trading in order to prevent harmful competition, any negative impact on locations, and to protect the business interests of existing permanent premises selling similar goods and services. The proposed restrictions are:

- **That Mobile Trading may not take place from any Council owned park or recreational space during the operating hours of any existing permanent structure selling similar goods and services as those proposed to be offered by the Mobile Trader (this restriction will also apply to Events held); and**

- **That no location may be occupied by more than one Mobile Trader at any given time.**

The amendments can be found at **Pages 13, 16,17** and **25** of the appended Draft Policy and are highlighted for easy accessibility.

Fees & Charges for Trading Consents

The power to levy fees (or otherwise) is contained in the legislation relevant to each function or in the Local Government Act 2003 in relation to discretionary services. Licensing is not a revenue raising function and fees and charges should reasonably represent the costs of carrying out the function

The general principles when setting fees are that they must be reasonable, proportionate and not exceed the cost of the procedures and formalities under the relevant licensing scheme, including staffing, training, administration, regulation, hearings, etc.

The following fees are proposed for each of the different Trading Consents:

Type of Trading Consent	Duration	Proposed Fee
Street Trading Consent	12 months	£1294.00*
Street Trading Consent	6 months	£697.00*
Mobile Trading Consent	12 months	£750.00
Mobile Trading Consent	6 months	£375.00
Special Event Trading Consent	Per Event	£30.00 per stall
Charitable / Community Trading Consent	Per Event	£0.00 per stall (no charge)

*The proposed fee represents no change to the fee already in place for this function.

Under Schedule 4 of the Act, the Council is able to manage Street Trading by designating streets as Consent Streets, Licence Streets, or Prohibited Streets.
- 1.3 The Council recognises the valuable contribution that Street Trading can make to the local culture and economy, and the services that Street Traders provide to residents and visitors. 4.11 For the purposes of this Policy and to assist applicants, Ashfield District Council issues 4 types of Street Trading Consents, each specific in its nature:

- **Street Trading Consent:** Trading from a stall / unit / vehicle from a single designated location on a regular basis.

4.12 CONSULTATION PERIOD FOR STREET TRADING CONSENT APPLICATIONS

- 4.13 All Street Trading Consent applications (except from Mobile Traders, Community & Charity Traders, and Special Events Traders) for locations not already adopted by the Council will be subject to a 28 day consultation period.
- 4.14 The consultation will seek the views of local residents and businesses that may be directly affected, and statutory agencies whose responsibilities may be impacted by the proposed business.
- 4.15 Consideration will be given to all written representations that are not deemed to be irrelevant, frivolous, vexatious, or repetitive. Representations will be vetted by Officers of the Licensing Team for validity.
- 4.16 Applications subject to valid representations will be determined at a Hearing chaired by the Service Director: Place & Communities, who is delegated authority by the Licensing Committee to determine such applications.

4.17 RELEVANT CONSIDERATIONS APPLICABLE TO ALL APPLICATIONS

4.18 Each case will be assessed on its own merits, and the following criteria will be considered in deciding whether or not a Consent will be granted, and on what conditions:

a) Public Safety

Whether any Street Trading activity represents, or is likely to represent, a risk to the public from the point of view of obstruction, fire hazard, unhygienic conditions, or danger that may occur when a Trader is accessing the site. Nottinghamshire County Council Highways Department will be consulted on all applications to ensure high standards of road safety for applicants, the public and other road users.

b) Public Order

Whether the Street Trading activity represents, or is likely to represent, a risk to public order. Nottinghamshire Police will be consulted on all applications regarding public order.

c) Preventing Nuisance or Annoyance

Whether the Street Trading activity represents, or is likely to represent, a risk of nuisance or annoyance to the public from noise, odour, fumes, litter, or the discharge of fluids, particularly in areas of residential properties. The Council's Environmental Protection Team will be consulted on all applications with regard to the prevention of nuisance.

d) Written Representations from Local Residents

Residents will be alerted to Street Trading (fixed single sites only) applications via a yellow A4 notice erected at the proposed Street Trading location. The relevant District Ward Councillor will be consulted on applications for Street Trading Consents in their area.

e) Planning Permission

Message: Street trading should be restricted to the pre approved designated sites within the local area ie town centre locations what are the 15 sites currently approved trading in none central locations should be avoided as due to lack of resources it would be near impossible to police if general permissions were granted in random locations traders would just try to trade without prior approval due to the fact the location has previously been granted for street trading

Subject: RE: ASHFIELD DISTRICT COUNCIL: DRAFT STREET TRADING POLICY
- CONSULTATION

Couple of observations,

You have not stated that you have consulted with Environmental Services but you have because you sent it to me and likely some of my team but this isn't clear from the email.

In terms of trading near to businesses that provide the same, this isn't explicit for parks and recreational spaces. Please include to remove ambiguity in relation to trading on parks with cafes and trading during events held on council land.

Many thanks

Sam
