Explanatory Note

1. The Council is required by the above Regulations to give 28 clear days' notice of key decisions. The Forward Plan includes a schedule of all key decisions which are likely to be taken in the next four months. Where a key decision needs to be made on a matter which has not been included on the Forward Plan, the above Regulations provide for a general exception to enable the decision to be made.
2. The general exception requires that if it is impracticable to give 28 clear days' notice, the public are given five clear days' notice before the decision is made and for the Chairman of the Overview and Scrutiny Committee to be informed of the matter about which the decision is to be made.
