**Question 4**

Question from Councillor Cheryl Butler to the Leader of the Council:

“A good place to share information between the different parties is at the cross party Leader’s update meetings, as re-introduced by me and fully endorsed by the Local Government Association. However the current Leader has recently refused to hold, and has even cancelled these, so can he now explain to the council what plans Ashfield have in place for Brexit, in whatever form, we eventually exit the European Union.”
