Purpose Of Report

To present a list of minutes of Cabinet and Committee meetings which have been published since the last ordinary meeting of the Council and for Members to consider whether they wish to give notice of their intention to ask a question of the relevant Chairman under Council Procedure Rule 13.2.

Background

As part of the 2013 annual review of the Constitution, approved by the Council on 6 June 2013, the former practice of printing the minutes of Cabinet and Committees within the Council agenda papers was discontinued and replaced with an index that lists the minutes published since the previous meeting of the Council. The index outlined below and the web link enables Members to access the minutes on the Council website for perusal as required.

In accordance with Council Procedure Rule 13.2, Members may give notice of their intention to ask a question of a relevant Chairman in respect of the published minutes. Questions are limited to a maximum of two per Member.

MINUTES PUBLISHED SINCE 13 FEBRUARY 2020.
