- The Prevention of Crime and Disorder.....
- Public Safety.....
- Prevention of Public Nuisance.....
- The protection of Children from Harm.....

Please give details of your representation in the box below

The premises for which this licence is for is wholly unsuitable it is a terraced property in a very quiet area it was used as a cafe before but it was only open between 9AM to 2PM and was very quiet no noise at all I used to sit on the garden all day. there will be an increase in noise & light traffic in an already dangerous area for traffic the emergency services would find it impossible there is also the wildlife we have hedgehogs, Bats, & a lot of Birds which would find it difficult to live with the extra noise & light.

If possible, please suggest alterations to the application that would resolve the problems mentioned above, again paying attention to any of the relevant Licensing Objectives previously listed.

I SUGGEST YOU DON'T ALLOW IT.

Once the Licensing team has received this form you will receive a written acknowledgement and you may be contacted to discuss the issue(s) prior to any referral to a Licensing Panel.

Please tick this box if you consent to any notice of hearing being sent to you by the email address you have given (if any)

Please tick this box if you do not intend to attend or be represented at any Licensing Panel hearing if one is held

RECEIVED

Dear Recipient.

I am writing to you about an application by Mr Barlow at 174 Forest Road NG-1795B for an alcohol licence at the said premises I think this would be wholly inappropriate for this area ~~as~~ as there are 2 Pubs the Forest Tavern and the Badger Box a working mens club Ian Whites on Forest Rd & the CO-OP on Shegby RD all dealing in alcohol sales all open until late at night for the sale of such but all these properties are detached the property 174 Forest Rd is Terraced property and has immediate properties it is separated from my house by a 4 metre wide right of way but is attached to other houses the garden overlooks mine the garden at 174 had tables on for people to dine during the hours of 8AM to 2PM which was not too bad as the diners were quiet never the less each day I had to clear up plastic bottles & cans food wrappers, I also sit on my garden most of the time or in the conservatory at the back of the house where there would be people constantly walking past there would be an increase in noise from cars and the use of phones, I have always gone to bed early with the windows open that would become impossible, there is also the wildlife hedgehogs bats and birds (etc) they would all be disturbed by the noise & lights I feed these animals and encourage them by keeping the garden as wildlife friendly as possible

there would be an increase in traffic which will cause even more danger in a very dangerous area causing cars coming off out of the right of way very dangerous indeed, cars would also park on the right of way causing problems for residents & emergency services which already have a problem, I conclude by saying must we cremate peace quiet welfare & health for the local population & wildlife on the altar of profit & gain I ask you to think very carefully about this

Thank you
