Re: Porterhouse Restaurant Forest Road.

Dear Sir/Madam,

Our concerns with regard to the License request for the above Restaurant are as follows: we wish to withdraw our objection after speaking with Mrs. Barlow provided that the following conditions are implemented as a condition of the License being granted.

1. That all access/egress to the adjacent properties remain unimpeded at all times from customer and staff vehicles. Except for Unloading.
2. No selling of Alcoholic Beverages after 10:30pm on Saturday.
3. No Sunday opening other than over the Christmas period.

The above conditions have been discussed with Mr. & Mrs. Shaw and to my knowledge they are in agreement with the restrictions, after our dialogue on 13th April 2016.

In conclusion, we have no objection to Entrepreneurial Enterprise within our community for commercial profit, bolstering the creation of jobs and economic growth. However this is primarily a residential area and we would like to keep the "commercial element" to an acceptable level.

Had the Barlow Family discussed their proposal to the local community beforehand I am sure that we would have worked this out without involving the Council.

We would like a copy of this letter to retain in the Councils files please for future reference.

Yours Faithfully
