Detailed Information

The Licensing Act 2003 came in to force in September 2005. It passed the powers to the Local Authority to licence premises for any of the following licensable activities:

- **The sale by retail of alcohol;**
- **The supply of alcohol by or on behalf of a club or to the order of a member of the club;**
- **The provision of regulated entertainment; and**
- **The provision of late night refreshment.**

The licensing objectives are:

- **The prevention of crime and disorder;**
- **The promotion of public safety;**
- **The prevention of public nuisance; and**
- **The protection of children from harm.**

Each objective is of equal importance. There are no other statutory licensing objectives, so that the promotion of the four objectives is a paramount consideration at all times. However, the legislation also supports a number of other key aims and purposes. These are vitally important and should be principal aims for everyone involved in licensing work.

Section 18 of the 2003 Act, allows Interested Persons, and Responsible Authorities, to make representations in favour or against applications for the grant of a Premises Licence. Should representations be made that cannot be resolved between the parties during any consultation period, then the application must be determined by a Licensing Committee or Sub-Committee Hearing.

Under the 2003 Act the Licensing Authority is itself a 'Responsible Authority' and can make representations in a formal capacity where it is considered necessary for the promotion of one or more of the licensing objectives. This role is separate from the general licensing functions of the Authority.

Other Relevant Considerations

The Sub-Committee is reminded of its responsibilities under the Crime and Disorder Act 1998 (to co-operate in the reduction of crime and disorder in the Ashfield District) and the Human Rights Act (which guarantees the right to a fair hearing for all parties in the determination of their civil rights, and also provides for the protection of property, which may include licences in existence, and the protection of private and family life) when considering the fair balance between the interests of the all parties to this Hearing.

Any decision taken by the Sub-Committee must be necessary and proportionate to the objectives being pursued.

Members are reminded that whenever they make a decision under the Licensing Act 2003, they have a duty to act with a view to promoting the licensing objectives.

When considering any representations, only those issues relating to the licensing objectives should be considered, and appropriate weight given to the importance and relevance of each representation.

Members should note that the applicant or persons making representations have the right of appeal against the decision made by the Sub-Committee.

Summary of Application

On 22nd March 2021, the Licensing Authority received an application from Soham & Dhruv Ltd for the grant of a New Premises Licence for One Stop, Unit A, Shepherd Street, Hucknall, Nottinghamshire, NG15 6WU; seeking to provide licensable activities at the premises which is situated on a “new build” housing development.

Both the application, the steps that the applicant intends to take to promote the licensing objectives, and a plan of the internal store layout can be found at **Appendix One**.

One representation has been received from a local resident objecting to the application. Whilst a number of matters raised do not fall within the context of what is relevant when considering an application made under the Licensing Act 2003, the concerns about potential crime and disorder, public nuisance and the protection of children from harm can be considered. A copy of the representation is attached at **Appendix Two**.

On 19th April 2021, the applicant agreed three conditions with Nottinghamshire Police (a slight variation of conditions already proposed by the applicant), and a copy of the agreement and the conditions agreed can be found at **Appendix Three**.

A map and a satellite image of the local area detailing the general location of the premises is attached at **Appendix Four**.

Provide a general description of the premises

For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. The store will trade under the brand of One Stop and all types of convenience products will be sold including fresh & frozen food, toiletries, household, newspapers etc. Other services will also be offered to customers such as the ability to pay bills & collect/send packages. Alcohol will form approximately 15% of the goods on sale and as it is not the intended focus of the business there is an expectation that alcohol sales will have a limited impact on the area as local people are expected to on the whole purchase alcohol along with other products.

Continued from previous page...

In terms of addressing the licensing objectives, this premises will be brand new and subject to significant investment which will involve the installation of high spec equipment such as CCTV, electronic refusals register and till prompts. In addition to that, in order to mitigate any risk from the sales of alcohol and its impact on the licensing objectives a number of robust conditions, that reflect the expected policies and procedures to be operated within the business, have been included as part of this application.

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Subject: Licence application - One Stop, Unit A, Shepard Street, Nottingham, NG15 6WU

Dears Sirs,

I write further to your notice that Soham & Dhruv Ltd has applied to Ashfield District Council for a premises licence.

Therefore please find below my representations in relation to this notice:

1. The shop is located on Shepard Street which is the main road used by residents to get in and out of the estate. Therefore, any commercial establishment is likely to attract more visitors and traffic which in turn will make driving in and out of the estate more onerous. Please note that this road is already busy during peak times.
2. Further to the above point, Shepard Street is also part of the Connect Bus's route. Therefore, there are concerns that higher volumes of automobiles will affect public transportation particularly at peak times.
3. The local School is also located on Shepard Street.
4. Further to point 3, having an establishment that sells alcohol within close proximity of the school is rather inappropriate.
5. Further to point 1, 2 and 3, having a shop on a road which is already prone to congestion and heavy traffic particularly at peak times would make traffic even more onerous.
6. An empty field lies across the street from where the shop is planned to be located. Therefore, a licence to sell alcohol until late (23:00) would potentially encourage individuals to gather for a drink in the field. This could then lead to anti-social behaviour and nuisance, two major issues faced by Hucknall residents and the greater Ashfield area.

I trust that the above representations will be taken into account when making a decision in relation to this licence application. Having a shop on our estate is definitely welcome but the proposed location next to the school and a licence to sell alcohol until 23:00 are elements that cannot, in my view, benefit our community. Please note that there are Co-op and Sainsbury's stores which sell alcohol within 0.7 miles from this shop's proposed location.

Kind Regards

Andrei Rotaru
