Detailed Information

Introduction

Robust Corporate Governance ensures organisations are doing the right things in the correct manner in an open, honest, inclusive and accountable way. Good governance leads to good management, performance and outcomes.

The Council has a framework of policies and procedures in place which collectively make up its governance arrangements.

Local Code of Corporate Governance

The Local Code of Corporate Governance sets out the Council's arrangements and is based on the guidance "*Delivering Good Governance in Local Government*" published by CIPFA (the Chartered Institute of Public Finance and Accountancy) and SOLACE (the Society of Local Authority Chief Executives) in 2016.

The CIPFA/SOLACE guidance identifies seven core principles and various sub principles; the recommended Local Code of Corporate Governance is based on these seven core principles. The seven principles are:

- A. Behaving with integrity, demonstrating strong commitment to ethical values and respecting the rule of law
- B. Ensuring openness and comprehensive stakeholder engagement
- C. Defining outcomes in terms of sustainable economic, social and environmental benefits
- D. Determining the interventions necessary to optimise the achievement of the intended outcomes.
- E. Developing the Council's capacity, including the capability of its leadership and the individuals within it
- F. Managing risks and performance through robust internal control and strong public financial management
- G. Implementing good practices in transparency, reporting and audit to deliver effective accountability

The Code sets out the documents, systems, processes and actions the Council undertakes to fulfil its commitment to and compliance with this Code. The Code supports the Council's review of the effectiveness of its system of internal control and informs the Annual Governance Statement which accompanies the Annual Statement of Accounts.

The Local Code of Corporate Governance is subject to annual review to inform the governance framework for the following year. The Code was last reviewed and amended in November 2022.

The Audit Committee is responsible for approving the Code. The Chief Executive and the Monitoring Officer are responsible for ensuring the Code is kept up to date and reviewed annually.

Some additions to the Code are recommended as shown highlighted in the document attached as Appendix 1. The changes reflect new or revised documents or policies which evidence and underpin the Council's governance arrangements. Committee is asked to approve these additions to the Local Code of Corporate Governance.
