## **Detailed Information**

The Licensing Act 2003 came in to force in September 2005. It passed the powers to the Local Authority to licence premises for any of the following licensable activities:

- **The sale by retail of alcohol;**
- **The supply of alcohol by or on behalf of a club or to the order of a member of the club;**
- **The provision of regulated entertainment; and**
- **The provision of late night refreshment.**

The licensing objectives are:

- **The prevention of crime and disorder;**
- **The promotion of public safety;**
- **The prevention of public nuisance; and**
- **The protection of children from harm.**

Each objective is of equal importance. There are no other statutory licensing objectives, so that the promotion of the four objectives is a paramount consideration at all times. However, the legislation also supports a number of other key aims and purposes. These are vitally important and should be principal aims for everyone involved in licensing work.

Section 18 of the 2003 Act, allows Interested Persons, and Responsible Authorities, to make representations in favour or against applications for the grant of a Premises Licence. Should representations be made that cannot be resolved between the parties during any consultation period, then the application must be determined by a Licensing Committee or Sub-Committee Hearing.

## **Other Relevant Considerations**

The Sub-Committee is reminded of its responsibilities under the Crime and Disorder Act 1998 (to co-operate in the reduction of crime and disorder in the Ashfield District) and the Human Rights Act (which guarantees the right to a fair hearing for all parties in the determination of their civil rights, and also provides for the protection of property, which may include licences in existence, and the protection of private and family life) when considering the fair balance between the interests of the all parties to this Hearing.

Any decision taken by the Sub-Committee must be necessary and proportionate to the objectives being pursued.

Members are reminded that whenever they make a decision under the Licensing Act 2003, they have a duty to act with a view to promoting the licensing objectives.

When considering any representations, only those issues relating to the licensing objectives should be considered, and appropriate weight given to the importance and relevance of each representation.

Members should note that the applicant or persons making representations have the right of appeal against the decision made by the Sub-Committee.
